[L. S.]

*To the Inhabitants of the Town of Dunbarton, in the County of Merrimack in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Town House in said Dunbarton, on Tuesday, the fourteenth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same.
3. To see what sum of money the town will vote to raise for repairs on the highways for the ensuing year.
4. To see what action the town will take in regard to the care of highways for the ensuing year.
5. To see if the town will vote to accept state aid.
6. To see how much money the town will vote to raise for Memorial Day.
7. To see what discount the town will vote to allow on all taxes paid on or before July 1, 1911.

8. To hear reports of agents and auditors or officers heretofore chosen, and pass any vote relating thereto.

9. To transact any other business which may come before said meeting.

Given under our hands and seal, this twenty-fifth day of February, in the year of our Lord nineteen hundred and eleven.

FREDERICK L. IRELAND,  
HENRY S. WHIPPLE,

## PUBLIC LIBRARY.

---

### REPORT OF THE TRUSTEES.

*To the Citizens of Dunbarton:*

We have no radical changes to report for the past year. Our library has grown steadily. New books have been purchased and our friends have remembered us also. Our librarian itemizes the gifts and the trustees desire to express their appreciation of them all. We heartily endorse our librarian's request for screens.

We wish our townspeople would make more general use of the library. A wider interest would give us a larger and better equipment and enable us to assist in making a wider distribution of the books. To the children in our schools the library should be invaluable. We ask the co-operation of the teachers in cultivating a taste for good general reading.

As in all town affairs only by the united efforts of all citizens can we get the best results from our library.

OLIVER P. WILSON,

JOHN W. FARRAR,

JAMES E. STONE,

*Trustees.*

## REPORT OF LIBRARIAN.

For the year ending February 15, 1911.

*To the Board of Trustees:*

GENTLEMEN.—We feel that the library is in a prosperous condition, although little change has been made during the past year.

Fifty-three (53) books have been bought, twenty-two (22) have been given by Dr. Towne of Manchester for which we owe him many thanks.

A very handsome picture of "George Washington and His Generals" has been presented by Mr. Oliver P. Wilson, which adds to the library very much. We hope there will be more in the future, as it is a great improvement.

Other books have been given by the following persons: Miss Annie Colly, Haverhill, Mass.; C. H. Dillaway, Melrose; Minnie and Mabel Putney, Manchester; Bradford Peck, Lewiston, Me.; Miss F. S. Caldwell, Roxbury, Mass.; Woman's Alliance of Unitarian Church, Manchester; Mrs. Frank Woodbury, Miss Bertha Conery, Dunbarton; also a box of books from Lowell, Mass., making a total of one hundred and forty-three (143) books for the past year. There are nine hundred forty (940) books in the library at the present date.

Number of books taken out, one thousand three hundred (1,300); fines taken, two dollars and sixteen cents (\$2.16). One of our great needs is screens for the library for the coming summer, and I am sure the trustees would find them to be a great saving if they got them.

Respectfully submitted,

RUTH G. EMERSON,

*Librarian.*

DUNBARTON, February 16, 1911.

## REPORT OF SCHOOL BOARD.

---

We are able to report a very successful year of school work, though there have been two changes in our corps of teachers. Miss Barnard and Miss Jewett having accepted positions elsewhere at the close of the spring term we were obliged to engage two new teachers. Both of the teachers engaged were young and inexperienced, each having just been graduated, one from Concord High School, the other from Pembroke Academy. Both have proved earnest and enthusiastic workers and, consequently, both have proved successful.

We have made one change in textbooks, substituting Montgomery's Series of Histories for the antiquated history which had been used so long.

For supplementary reading we have put into each school a few copies of Blaisdell's "Stories from English History," thinking that some little knowledge of the most important facts of English history just as interesting and more profitable than the stories so often used as supplementary reading. We would suggest that some modern work on hygiene, one written in language easily understood by children, be added to our list of supplementary reading: also, some of the recent admirable books on nature study.

In the line of repairs the principal items were shingling the schoolhouse at Montalona and making the greatly needed repairs at Burnham Hill. Owing to the fact that we were obliged to put new stoves in three of the schoolhouses, we expended more money than the district voted

to raise for repairs, and still left much needed work undone. The excess for this year was paid out of the percentage of school money allowed by law for minor repairs, but we shall need to raise as much for repairs the coming year as we did this year in order to do the work most needed. In connection with this subject of repairs we would add that the board felt that a vote of thanks was due Otis Greer for his labor at the Burnham Hill school-house, which was given gratuitously for the sake of having the buildings put in proper sanitary condition, and such a vote was passed at the board meeting in September.

We would once more urge that every child in our schools have his own individual drinking cup, and that teachers give the needed instruction as to keeping them in proper condition for use. Another advance in sanitation would be to provide the modern dustless brushes for use in sweeping all schoolrooms. It is worth much more to prevent disease, and teach children how to prevent it, than to know how to cure it.

In the matter of transportation the board has made a saving of four and a half dollars per week all the year by sending two children from the northeast end of the town to Bow, paying a tuition of fifty cents a week, instead of carrying them the long distance necessary to reach a school in town. During the last term a like saving has been made in the Montalona division by sending two boys to Bow, two other children that we felt obliged to carry while they were small having reached an age when it no longer seemed necessary.

ANNIE M. BURNHAM,  
JOHN LADUE,  
WALTER H. BURNHAM,  
*School Board.*
